Amanda Gatlin was issued license number 11866 by the North Carolina Board of Pharmacy on August 9, 1992.

Amanda Gatlin admits that while employed as a pharmacist at Carteret General Hospital, 3500 Arendell Street, Morehead City, North Carolina, she committed acts that give the Board sufficient cause to take disciplinary action against her license. Ms. Gatlin waives any further findings with respect to this matter. Considering that, Ms. Gatlin voluntarily surrenders her license to practice pharmacy in North Carolina.

Ms. Gatlin understands and accepts that the license will not be returned until and unless the Board issues a reinstatement Order. Ms. Gatlin shall not be present in a pharmacy except as a customer unless her license is returned by the Board. It is Ms. Gatlin's responsibility to petition the Board for a hearing if she wishes to have the matter considered. There is no time limit established for this matter to be heard by the Board. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the license. The decision would be made by the Board based on consideration of all available evidence presented at the time of the formal hearing.

The surrender of the license is made voluntarily and without pressure, coercion, or the threat of force being made against her.

This the 17 day of Feb, 2006.
