NORTH CAROLINA BOARD OF PHARMACY

In re:

CHRISTY AMOS PARKER (License Number 17705)	))))	CONSENT ORDER REGARDING LICENSURE

THIS MATTER came on to be considered by the North Carolina Board of Pharmacy ("Board") on January 15, 2013, concerning Christy Amos Parker ("Respondent"), holder of North Carolina license to practice pharmacy number 17705.

Respondent has agreed to waive a formal hearing on the Consent Order. Both parties stipulate and agree to the findings of fact and conclusions of law recited herein and to the order imposed. By her consent, Respondent also stipulates that she waives her right to appeal this Consent Order or challenge in any way the sufficiency of the findings of this Consent Order. Based upon the consent of the parties, the Board hereby enters the following Consent Order:

1. The Board is a body duly organized under the laws of North Carolina and is the proper body for this proceeding under the authority granted it in Chapter 90 of the General Statutes of North Carolina, and the rules and regulations promulgated thereunder.

2. Respondent is, and was at all relevant times referred to herein, a pharmacist licensed to practice pharmacy in the State of North Carolina with License No. 17705. Respondent also holds Georgia license to practice pharmacy No. RPH024190.

3. Respondent resides in Douglasville, Georgia. She practices pharmacy at Village Pharmacy, also located in Douglasville, Georgia. Village Pharmacy is permitted by the Georgia Board of Pharmacy. It is not permitted as a North Carolina out-of-state pharmacy.

4. On December 31, 2012, the Board received from Respondent a copy of criminal indictment handed down in the DeKalb County (Georgia) Superior Court on November 15, 2011. The indictment charges Respondent (and others) with violations of Georgia's Racketeer Influenced and Corrupt Organizations Act ("RICO"). A copy of the indictment is attached to this Consent Order as Exhibit A.

5. Respondent denies the allegations against her in the indictment.

6. On November 23, 2011, Judge Cynthia J. Becker of the DeKalb County (Georgia) Superior Court issued Respondent an Order for Bond. In pertinent part, the Order for Bond restricts Respondent "to travel within the state of Georgia." Respondent is "not to prescribe, facilitate the prescription, or have on h[er] person the following medications: Oxycodone, Hydrocodone, and Xanax." Respondent is "not to prescribe or facilitate the prescription of any out-of-state prescriptions." A copy of the Order for Bond is attached to this Consent Order as Exhibit B.

7. As of the date of this Consent Order, the Georgia Board of Pharmacy has taken no disciplinary action against Respondent's license to practice pharmacy.

8. Respondent shall not engage in the practice of pharmacy in North Carolina, or otherwise provide pharmacy services to any North Carolina residents for the duration of this Consent Order.

9. Respondent shall comply with all terms of the Order for Bond issued by the DeKalb County (Georgia) Superior Court, and Respondent shall notify the Board within twenty-four (24) hours of any change in the terms of the Order for Bond.

10. Respondent shall notify the Board within twenty-four (24) hours of receiving any communication from the Georgia Board of Pharmacy concerning her license to practice pharmacy No. RPH024190 and shall provide a copy of that communication to the Board.

11. Respondent shall notify the Board within twenty-four (24) hours of any final resolution of the criminal charges pending against her and shall provide appropriate documentation of such resolution to the Board.

12. Subject to these conditions, Respondent's license to practice pharmacy No. 17705 remains active.

13. This Consent Order is not a determination of the underlying merits of either Respondent's criminal charges or any disciplinary proceeding before this Board or any other licensing board, and it shall not be used as evidence of any conclusion regarding any factual or legal matter in dispute.

14. This Consent Order is an interim measure pending further investigation and potential disciplinary proceedings. This Consent Order shall not preclude the Board from taking any future actions concerning Respondent's license to practice pharmacy No. 17705, including, but not limited to, (a) actions to enforce the terms of this Consent Order, (b) disciplinary actions related to any and all prior actions by Respondent, (c) actions to modify this Consent Order as necessary to protect the public health, safety or welfare, including but not limited to actions based on changes of circumstances, including but not limited to communications required pursuant to paragraphs 9, 10 and 11 above, and (d) disciplinary actions related to actions identified subsequent to the date of this Consent Order.

15. This consent Order shall remain in effect until terminated or modified by a subsequent Board order.

16. Respondent retains the right to petition to modify this Order following final resolution of the criminal charges against her.

This the 15th day of January, 2013.
