## PRESCRIPTION

**Si usted quiere las instrucciones de su medicamento en español, por favor digale al farmacéutico señalando este letrero para que entienda que usted lo quiere en español.**

**English translation of sign text:**

Attention: If you would like for your prescription medication and instructions to be written in Spanish, please point to this sign so that the pharmacist will understand that you want it in Spanish.

**Attention Pharmacist:**

If space is available, it is suggested (though not required) that text in English also be included.

**Attention Pharmacy Technicians and Cashiers:**

Please be sure to let the pharmacist know when customers point to this sign indicating that they want their prescription labels and instructions in Spanish.
