MODIFICATION OF  
ORDER REGARDING LICENSURE

**THIS MATTER** was heard on November 18, 2008, by the North Carolina Board of Pharmacy ("Board") located at 6015 Farrington Road, Suite 201, Chapel Hill, North Carolina, upon the request of Christopher Breese ("Petitioner") for the Board to modify an Order Regarding Licensure . Board members Nelson, Chesson, Chater, Dennis, Haywood, and McLaughlin conducted this hearing. After hearing the testimony of witnesses, adjudging the credibility of the witnesses, and receiving evidence, the Board makes the following:

**FINDINGS OF FACT**

1. On July 17, 2007, the Board issued an Order Regarding Licensure to Petitioner, who holds North Carolina pharmacist license number 19095.
2. That Order issues a license to practice pharmacy to Petitioner, with conditions.
3. Pertinent provisions of the Order stated:
  2. Petitioner shall not serve as pharmacist manager of any pharmacy. Petitioner may petition the Board to have this restriction lifted no earlier than twelve (12) months from the date of this Order.
  3. Petitioner shall not serve as a preceptor of pharmacy students. Petitioner may petition the Board to have this restriction lifted no earlier than twelve (12) months from the date of this Order.
4. Petitioner requested that these two restrictions contained in the Order be lifted.

**CONCLUSIONS OF LAW**

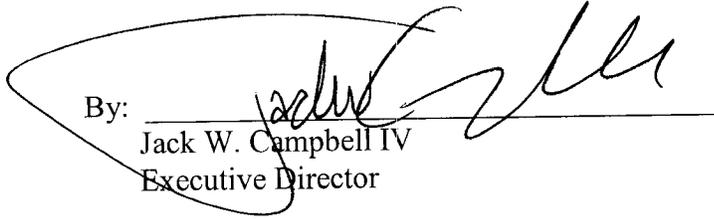

Petitioner has demonstrated that he is capable of acting as a pharmacist-manager and a preceptor with reasonable care, safety and competence.

**IT IS THEREFORE ORDERED** that Petitioner's Order Regarding Licensure is amended to eliminate the prohibitions against Petitioner acting as a pharmacist-manager or as a preceptor of pharmacy students.

This is the 18th day of November, 2008.
