VOLUNTARY SURRENDER
OF LICENSE FOR CAUSE

Wallace Allen Johnson was issued license number 07541 by the North Carolina Board of Pharmacy on October 21, 1980, such license being active until December 31, 2011.

Mr. Johnson admits that he has committed acts that give the Board sufficient cause to revoke his license to practice pharmacy in North Carolina.

Considering that, Mr. Johnson voluntarily surrenders his license to practice pharmacy in North Carolina. The surrender of the license is made voluntarily and without pressure, coercion, or the threat of force being made against him. As a result of the voluntary surrender, Mr. Johnson shall not be present in any North Carolina pharmacy in any capacity other than as a customer/patient, with a valid prescription from a treating physician, unless and until the Board issues any further order.

Mr. Johnson understands and accepts that, at any point in the future, he may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will determine within sixty (60) days when it will schedule a hearing on the request for reinstatement. That hearing will be scheduled at the Board's discretion. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the license.

The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The license will not be returned until and unless the Board issues a reinstatement order after any formal hearing.

This the 12 day of June, 2011.
