**ORDER REGARDING
RECIPROCITY**

THIS MATTER came before the North Carolina Board of Pharmacy (“Board”) concerning the application of Scott Thomas Larsen (“Petitioner”) to reciprocate an Iowa to practice pharmacy. This matter was heard on February 18, 2014 by the Board located at 6015 Farrington Rd., Suite 201, Chapel Hill, North Carolina. Board members Minton, McLaughlin, Chesson, Day, and Mixon conducted the hearing. Having heard the evidence presented and assessed the credibility of the testifying witnesses, the Board makes the following:

FINDINGS OF FACT

1. Petitioner presently holds a license to practice pharmacy in Iowa, which he obtained by examination.
2. Petitioner presently holds licenses to practice pharmacy in Florida, Illinois, and Nevada, which he obtained by transfer.
3. When applying to reciprocate his Iowa to practice pharmacy, Petitioner disclosed, fully and candidly, that his Nevada license was twice disciplined by the Nevada Board of Pharmacy.
4. In 2001, the Nevada Board concluded that Petitioner had supplied confidential information to a patient’s employer without lawful authorization. It issued a stayed 7-day

suspension of Petitioner's license to practice pharmacy, fined him \$1,000, and ordered that he take and pass the Nevada law examination.

5. In 2006, the Nevada Board concluded that Petitioner committed a dispensing error that resulted in a patient's admission to the hospital. It fined Petitioner \$500.

6. Petitioner accepted responsibility for these actions, complied with all terms of discipline, and has not been the subject of disciplinary action since 2006.

CONCLUSION OF LAW

All parties are properly before the Board, and the Board has jurisdiction over Petitioner and the subject matter of this proceeding.

IT IS, THEREFORE, ORDERED that Petitioner may continue the process for reciprocating his Iowa license to practice pharmacy to North Carolina. Nothing in this order excuses Petitioner from any requirement for successful reciprocity of his Iowa license, including paying all fees, successfully completing all examinations, and making a personal appearance for licensure as required by North Carolina law.

This the 18th day of February, 2014.
