

BEFORE THE NORTH CAROLINA BOARD OF PHARMACY

In the Matter of:)
Douglas Dwayne London) VOLUNTARY SURRENDER
License No. 14088) OF LICENSE FOR CAUSE

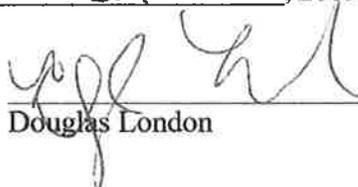

Douglas London was issued license number 14088 by the North Carolina Board of Pharmacy on July 30, 1997, such license being active until December 31, 2009.

Mr. London admits that while working as a licensed pharmacist with Etowah Pharmacy, 6527 Brevard Road, Etowah North Carolina, 28729, he committed acts that give the Board sufficient cause to revoke his license to practice pharmacy in North Carolina.

Considering that, Mr. London voluntarily surrenders his license to practice pharmacy in North Carolina. The surrender of the license is made voluntarily and without pressure, coercion, or the threat of force being made against him. As a result of the voluntary surrender, Mr. London shall not be present in any pharmacy in any capacity other than as a customer/patient, with a valid prescription from a treating physician, unless and until the Board issues any further order.

Mr. London understands and accepts that, at any point in the future, he may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will determine within 60 days when it will schedule a hearing on the request for reinstatement. That hearing will be scheduled at the Board's discretion. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the license. The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The license will not be returned until and unless the Board issues a reinstatement order after any formal hearing.

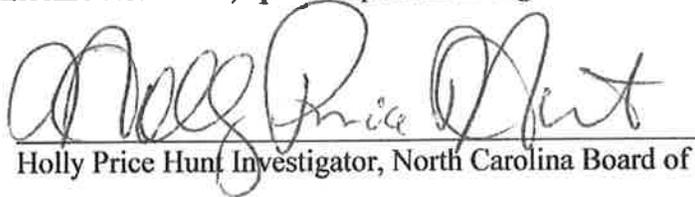

This the 5TH day of October, 2009.
