

**BEFORE THE NORTH CAROLINA BOARD OF PHARMACY**

In the Matter of:

**VOLUNTARY SURRENDER  
OF LICENSE**

Janice McPhail Moon  
License No. 07263

Janice McPhail Moon is a pharmacist licensed by the North Carolina Board of Pharmacy (Board), license number 07263, issued November 1, 1979 and renewed annually through the current year.

Ms. Moon admits that she diverted Hydrocodone products and Butalbital/APAP/Caffeine from her place of employment for her own personal use.

Giving consideration to these circumstances committed by her, Ms. Moon voluntarily surrenders license number 07263 to practice pharmacy in this state. The Board will hold the license; current renewal certificate and wallet card in trust until such time as the Board issues an Order returning the license. No time limits are established for this to occur. Ms. Moon understands and accepts that she must petition the Board for a formal hearing to request that the license be returned and the Board may or may not return the license. Ms. Moon shall not be present in a pharmacy except as a customer unless her license is returned by Board Order.

Ms. Moon waives any further findings with respect to the surrender of her license. The surrender of her license is made voluntarily and without pressure, coercion, or the threat of force being made against her.

This the 20th day of April 2004.
