**MODIFICATION OF ORDER
CONCERNING REINSTATEMENT
OF LICENSE**

THIS MATTER came on for hearing upon request of Ricky Douglas Trivette (“Petitioner”) for a modification of a January 16, 2007 Board order. Petitioner requested that the Board lift restrictions on his license contained in that order prohibiting him from acting as a pharmacist-manager and from working more than forty (40) hours per week on average. Petitioner’s request was heard on April 20, 2010 by the North Carolina Board of Pharmacy (“Board”) located at 6015 Farrington Rd., Suite 201, Chapel Hill, North Carolina. After receiving evidence, hearing testimony, and adjudging the credibility of the witnesses, the Board makes the following:

FINDINGS OF FACT

1. Petitioner provided evidence of his complete compliance with all terms of the January 16, 2007 Order.
2. Representatives of North Carolina Pharmacist Recovery Network (“NCPRN”) stated that Petitioner has maintained compliance with his treatment and monitoring obligations.
3. NCPRN supports Petitioner’s request for modification of the January 16, 2007 Order.

CONCLUSIONS OF LAW

Petitioner has demonstrated that he continues to maintain successful recovery and compliance with his PRN contract and the January 16, 2007 Order. The Board, in its discretion, concludes that a modification of the January 16, 2007 Order is appropriate.

IT IS THEREFORE ORDERED that Petitioner's request is **GRANTED**.

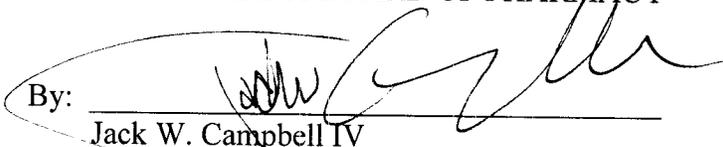

Paragraph 7 of the January 16, 2007 Order stating "Petitioner shall not serve as a pharmacist manager of any pharmacy" is hereby lifted.

Paragraph 9 of the January 16, 2007 Order stating in pertinent part "Petitioner may work a maximum of forty (40) hours per week on average if approved in advance by NCPRN" is hereby lifted..

This the 20th day of April, 2010.
