**In Re:**

<b>PATRICIA LYNN WILLIAMS</b>	)	<b>MODIFICATION OF</b>
<b>(License No. 09245)</b>	)	<b>ORDER REINSTATING LICENSE</b>
	)	
	)	

**THIS MATTER** was heard on January, 19, 2016, by the North Carolina Board of Pharmacy (“Board”) located at 6015 Farrington Road, Suite 201, Chapel Hill, North Carolina, upon the request of Patricia Lynn Williams (“Petitioner”) for reinstatement of her license to practice pharmacy. Board members Mixon, Day, McLaughlin, Minton, Graves, and Haywood heard this matter. After hearing the testimony of witnesses, adjudging the credibility of the witnesses, and receiving evidence, the Board makes the following:

**FINDINGS OF FACT**

1. On February 15, 2011, the Board issued an Order Reinstating License to Petitioner (the “2011 Order”), who holds North Carolina pharmacist license number 09245. The 2011 Order reinstated Petitioner’s license to practice pharmacy with conditions.
2. On May 14, 2013, the Board issued a Modification of Order Reinstating License (the “2013 Order”), which lifted a condition of the 2011 Order prohibiting Petitioner from serving as a preceptor of pharmacy students.
3. Petitioner asks the Board to further modify the 2011 Order by lifting the following conditions:
  - “Petitioner shall obtain prior approval of all employment as a pharmacist from

the Board's Executive Director."

- "Petitioner shall not serve as pharmacist manager of any pharmacy."

4. The 2011 Order also specifies that "Petitioner may not be employed as a pharmacist more than 20 hours per week, on the average. This limitation may be extended at the discretion of NCPRN . . . ." But this condition will expire automatically upon Petitioner's successful completion of her treatment and monitoring agreement in February 2016.
5. NCPRN supports these further modifications of the 2011 Order.

### CONCLUSIONS OF LAW

Petitioner has demonstrated that, with further modifications to the 2011 Order, she will continue to practice pharmacy with reasonable care, safety and competence

**IT IS THEREFORE ORDERED** that the conditions of Petitioner's 2011 Order requiring prior approval of pharmacist employment by the Board's Executive Director and prohibiting service as a pharmacist manager are lifted. Other conditions of the 2011 Order not modified by this Order or the 2013 Order remain in effect.

This is the 19th day of January, 2016.
