George Kalopitas) VOLUNTARY SURRENDER
Registration No. 27849) OF REGISTRATION FOR CAUSE

George Kalopitas was issued technician registration number 27849 by the North Carolina Board of Pharmacy on January 20, 2010.

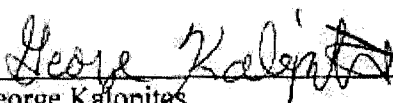

Mr. Kalopitas admits that while working as a registered technician with CVS Pharmacy, #6721, located at 1305 Matthews Township Parkway Matthews, NC 28104, he committed acts that give the Board sufficient cause to revoke his technician registration.

Considering that, Mr. Kalopitas voluntarily surrenders his technician registration. The surrender of the registration is made voluntarily and without pressure, coercion, or the threat of force being made against him. As a result of the voluntary surrender, Mr. Kalopitas shall not be present in any pharmacy in any capacity other than as a customer/patient, with a valid prescription from a treating physician, unless and until the Board issues any further order.

Mr. Kalopitas understands and accepts that, at any point in the future, he may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will determine within sixty (60) days when it will schedule a hearing on the request for reinstatement. That hearing will be scheduled at the Board's discretion. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the registration.

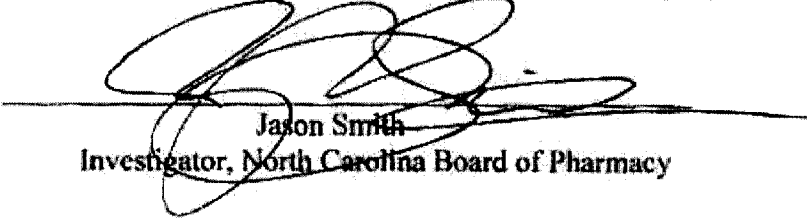

The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The registration will not be returned until and unless the Board issues a reinstatement order after any formal hearing.
