VOLUNTARY SURRENDER
OF TECHNICIAN
REGISTRATION FOR CAUSE

Lori Tyndall was issued registration number 07403 by the North Carolina Board of Pharmacy on August 21, 2002, such registration being active until December 31, 2008.

Lori Tyndall admits that while being registered as a technician at Neil Medical Group, located at 2545 Jetport Road, Kinston, North Carolina, she committed acts that give the North Carolina Board of Pharmacy ("Board") sufficient cause to revoke her registration. Considering that, Ms. Tyndall voluntarily surrenders her registration as a Pharmacy Technician in North Carolina. The surrender of the registration is made voluntarily and without pressure, coercion, or the threat of force being made against her. As a result of the voluntary surrender, Ms. Tyndall shall not be present in any pharmacy except as a customer with a valid prescription from a treating physician.

Ms. Tyndall understands and accepts that, at any point in the future, she may petition for reinstatement by submitting a request to the Board of Pharmacy, in writing. Upon a request for reinstatement, the Board will schedule a hearing at its convenience, which may or may not occur at the next regularly scheduled Board meeting following the request. There is no presumption, guarantee or other implication intended within this document that the Board will reinstate the registration. The decision will be made by the Board based on consideration of all available evidence presented at a formal hearing before the Board. The registration will not be returned until and unless the Board issues a reinstatement order after any formal hearing.

This the 13 day of June, 2008.

Lori Tyndall
