

SECTION .3300 – REGISTRATION OF A PHARMACY TECHNICIAN

21 NCAC 46.3301 REGISTRATION

(a) Following initial registration with the Board, registration of a pharmacy technician shall be renewed annually and shall expire on December 31. It shall be unlawful to work as a pharmacy technician more than 60 days after expiration of the registration without renewing the registration. A registration expired more than 60 days shall be reinstated pursuant to 21N.C.A.C. 46 .1612.

(b) The current registration of a pharmacy technician shall be readily available for inspection by agents of the Board.

(c) The training program described in G.S. 90-85.15A(b) is not required for students enrolled in a community college pharmacy technician program.

(d) Volunteer pharmacy technicians providing services at a facility which has a pharmacy permit designated as a free clinic shall complete the training program described in G.S. 90-85.15A(b) but need not register with the Board.

(e) A pharmacist may not supervise more than two pharmacy technicians unless the additional pharmacy technicians have passed a national pharmacy technician certification examination administered by a provider whose examination assesses the ability of the technicians to function in accordance with G.S. §90-85.3(q2) and approved by the Board according to these standards.
