STATE OF NORTH CAROLINA
NORTH CAROLINA BOARD OF PHARMACY

IN THE MATTER OF)
)
JILYAN AUSTIN BILLINGSLEY,) CONSENT ORDER
License Number 26514)

FINDINGS OF FACT

1. Between September 15, 2016 and October 18, 2022, Jilyan Austin Billingsley (“Petitioner”) was the holder of license number 26514, issued by the Board.
2. Between September 10, 2019 and December 2, 2020, Petitioner had her prescriptions for Zolpidem 5mg and 10 mg (a schedule IV controlled substance) filled at a Walgreens pharmacy where her husband, Jay Billingsley was employed as a pharmacist.
3. During this period, Jay Billingsley filled 1200 dosage units of Zolpidem when Respondent had been prescribed only 420 dosage units.
4. When these unauthorized refills came to light, Jay Billingsley informed both Walgreens and the Board investigator that he had provided the unauthorized refills to Petitioner.
5. However, following the summary suspension, Petitioner provided new evidence indicating that she did not take more Zolpidem than prescribed and instead those were consumed by Jay Billingsley.
6. In addition, on or about February 11, 2022, Petitioner tested positive to THC. Petitioner has provided evidence that the positive result was due to consumption of CBD.
7. On October 18, 2022, the Board of Pharmacy summarily suspended Petitioner’s license. On December 12, 2022, Petitioner requested that the summary suspension of her license be lifted.

CONCLUSIONS OF LAW

Due to conflicting evidence, the Board has determined that Petitioner has not violated any laws giving rise to a basis for discipline under N.C. Gen. Stat. § 90-85.38(a). Accordingly, Petitioner's request to lift the summary suspension should be granted.

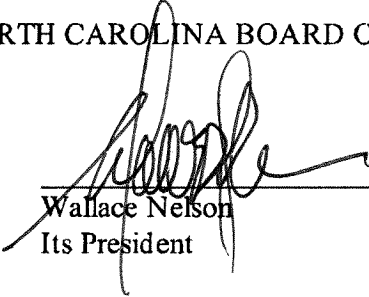

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, the Board hereby **ORDERS** that the summary suspension order of the license of Jilyan Austin Billingsley is hereby **VACATED**, the request for reinstatement is hereby **GRANTED**, and the license of Dr. Billingsley is hereby **REINSTATED** in good standing.
